

**ASSOCIATE OF APPLIED SCIENCE - INFORMATION SYSTEMS SECURITY AND ASSURANCE ONLINE**

**VISTA COURSES**

**TRANSFER FROM OTHER COLLEGES**

<b>Course Number</b>	<b>Course Name</b>		<b>Course Number</b>	<b>Course Name</b>
ITCC 1452-O	Networking Security Fundamentals		ITNW 1325 ITSY 1300	Fundamentals of Network Technologies Fundamentals of Information Security
ITCC 1453-O	Security Policies and Implementation Issues		EEIR 1307	Introductory Security Systems
ITCC 1454-O	Security Strategies in Windows Platforms and Applications		ITMT 2340 ITSE 2343	Designing Security for Microsoft Networks Advanced Windows Programming
ITCC 1455-O	Security Strategies in Web Applications and Social Networking		ITCC 2341	CCNA Security
ITCC 2452-O	Network Security		CPMT 2334 ITCC 2343 ITCC 2443 ITCC 2452	Network Security Network Security Network Security Computer Networking Technology
ITCC 2453-O	Access Control, Authentication, and PKI		ITMT 2340	Designing Security for Microsoft Networks
ITCC 2454-O	Hacker Techniques, Tools, and Incident Handling		ITSY 2342	Incident Response and Handling
ITCC 2455-O	Systems Forensics, Investigation, and Response		ITSY 2343	Computer System Forensics
ITNW 1453-O	Legal Issues in Information Security		ITSY 2341	Security Management Practices
ITNW 2454-O	Managing Risk in Information Systems		ITSY 1442	Information Technology Security
ITNW 2455-O	Auditing Infrastructures for Compliance		ITSY 2359	Security Assessment and Auditing
ITSC 2453-O	Computer Ethics		GAME 1301	Computer Ethics
ITSY 2450-O	Network Security, Firewalls, and VPNs		ITNW 1353 ITNW 2323	Supporting Network Server Infrastructure Networking Hardware
POFT 4451-O	Career Strategies		POFT 1300	Career Exploration Planning

**GENERAL EDUCATION COURSES**

<b>Course Number</b>	<b>Course Name</b>		<b>Course Number</b>	<b>Course Name</b>
COSC 1451-O	Computer Science		COSC 1301	Introduction to Computers
ENGL 1451-O	English Composition I		ENGL 1301 ENGL 1302	English Composition I Academic Writing and Research
MATH 2451-O	Contemporary Mathematics		MATH 1314 MATH 1332 MATH 1350 MATH 1351	College Algebra Contemporary Mathematics Fundamentals of Math I Fundamentals of Math II
PSYC 2451-O	General Psychology		PSYC 2301 PSYC 3392	General Psychology Current Issues in Psychology
SPCH 2451-O	Speech Communication		COMM 3301 SPCH 1315	Advanced Public Speaking Public Speaking

The courses on the right will be considered for transfer credit based on comparability of content and level, with a grade earned of “C” or higher. For the credits to be awarded, students must provide an official transcript sent directly to Vista College from the prior educational institution(s). The course(s) must have been completed no more than seven years prior, except for certain General Education courses. The transcript must be from a college or university that was accredited by an agency recognized by the U.S. Department of Education. Students may transfer up to 75% of the total credits in the program.
